Whereas, the college through its representatives, Dr. Hrishikesh Gaitonde, Principal, K. J. Institute of Ayurveda & Research, Savli appeared before the Hearing Committee on 31-01-2024 and made their written submission against the shortcomings communicated to you. The shortcoming communicated to you, submission made by the representatives of the college and observations made by the hearing Committee are as under: -

Sr No.	Deficiencies as per LIC Report	Compliance from College	Remarks of Hearing Committee
1	College Departments: No Separate Chambers for faculty and in some department printers are not available.	<ol style="list-style-type: none"><li>Since inception the college has provided separate chambers to each faculty in each Department in form of Cubicles which separate their sitting &amp; working space from other staff and provides adequate desk space for work. Photographic Evidence of availability of cubicles in some Departments is attached.</li><li>Printers were not present in few departments on the day of visitation as they were sent for repairs. The same was also communicated to the visitors A Complaint of Breakdown, Quotation of Repairs and Repair order is attached herewith for your perusal.</li></ol>	Principal of the college stated that college has arranged cubicle partition of all the department instead of close cabin. Submission is made by principal is accepted. Regarding non-availability of printers in some department, submission made by principal is accepted. However, committee instructed to college to replace or repair printers as early as possible and after replacement or repair college is asked to submit report to the university.

6	Functionality of all IPD's: In General ward attached bathrooms are not available.	All our General Wards have attached bathrooms & even in Male Medical Ward there are attached bathrooms present in the Toilet Block which is just adjoining the Ward. Photographic evidence of the bathrooms of all our general wards are attached herewith as evidence. We have also attached the photograph of the Toilet Block which is adjoining the Male Medical ward from the outside to show its position and the inside of the toilet block to show that bathrooms form a part of the toilet block.	Submission made by principal during hearing is accepted.
7	Online registration system is not functional till yet which is under progress. In panchakarma and shalya department good work is going on but the nursing staff regulatory system is not satisfactory. Patient diet delivery system should be improved.	<ol style="list-style-type: none"><li>1. To comply with the guidelines of NABH and the upcoming MSR we were migrating from just the Online Patient Registration system to a more collaborative, digitized and cloud-based Hospital Management Information System by the name PRAKHAR. This software will enable us to uphold real-time information and decision-making about the various department and processes in the hospital and identify issues and bottlenecks. Since the HMIS was deployed the same day of the visitation, we were under the process of migration of data from the old system to a new one. We were therefore unable to demonstrate data in the new system.. The Online Patient Registration System is now online and functioning and the same can be demonstrated now from anywhere anytime at <a href="http://www.appsites.in/kjar">www.appsites.in/kjar</a></li><li>2. Since we are NABH certified Healthcare organization we periodically review the performance of Patient Care staff. We have a comprehensive review system for Nurses. After this comprehensive review, regular training is conducted as per NABH Guidelines. Based on your feedback, we would make our training sessions more frequent and intense to make the Nursing Staff Regulatory System more</li></ol>	Submission regarding online registration system made by principal is accepted. In addition to that principal shown online registration system in mobile during hearing. Submission regarding regulation or nursing staff submitted by principal is accepted. Principal has improved patient diet delivery system as per guidance given by LIC committee.
